Machinery and tools for professional tilers and bricklayers

NYLON BRUSHES

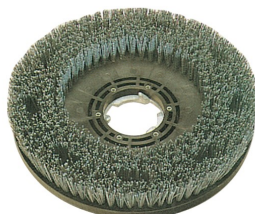

- For cleansing after tile laying

- Art. 0234 Nylon brush $\varnothing$ 380 medium bristles 060 for Twister
 Art. 0254 Nylon brush $\varnothing$ 430 medium bristles 060 for Twister
 Art. 0232 Nylon brush $\varnothing$ 380 stiff bristles 090 for Twister
 Art. 0252 Nylon brush $\varnothing$ 430 stiff bristles 090 for Twister

TINEX BRUSH

- Abrasive (Tinex) bristles brush
- For cleansing scaled porcelain, porfiry and similar floors

- Art. 0242 Abrasive (Tinex) bristles brush $\varnothing$ 380 for Twister
 Art. 0262 Abrasive (Tinex) bristles brush $\varnothing$ 430 for Twister

SUBSTRATE SMOOTHER

- For substrate / floor screed smoothing
- Connection adapter required

- Art. 709 Substrate smoother disk $\varnothing$ 480
 Art. 0275 Substrate smoother disk $\varnothing$ 560

TANK

- 8L tank for liquids (detergents, solvents, water) to be floorspread during operations

- Art. 655 Tank for Twister

STEEL BRUSH

- For floor scraping and cleansing

- Art. 0235 Steel bristles brush $\varnothing$ 380 for Twister
 Art. 0255 Steel bristles brush $\varnothing$ 430 for Twister

IRON TEETH BRUSH

- For floor scraping

- Art. 0236 Iron teeth brush $\varnothing$ 380 for Twister

SUBSTRATE SMOOTHER ADAPTER

- Substrate smoother disk easy-on connection adapter

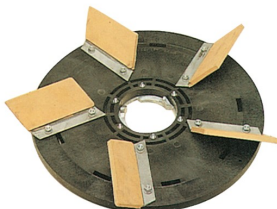

- Art. 0213 Easy-on connection adapter for substrate smoother for Twister

ITALIAN MANUFACTURER
 Machinery and tools for professional tilers and bricklayers

GROUTING TOOL

- For grouting onto jointed tile floors

Art. 0264 Grouting tool disk Ø 430 for Twister

FELT DRIVER DISK

- Allows for easy felts attachment

Art. 0245 Felt driver disk Ø 380 for Twister
Art. 0265 Felt driver disk Ø 430 for Twister

FELTS

- Round felt swabs for various applications
- Felt driver disk required

Art. 705 Black felt Ø 380 for scraping
Art. 708 Green felt Ø 380 for cleansing
Art. 706 Brown felt Ø 380 for polishing
Art. 710 White felt Ø 380 for delicate surfaces polishing

Art. 0256 Black felt Ø 456 for scraping
Art. 0257 Green felt Ø 456 for cleansing
Art. 0258 Brown felt Ø 456 for polishing
Art. 0259 White felt Ø 456 for delicate surfaces polishing

INOX FELT FOR CRYSTALLIZATION

- Inox felt swab for crystallization processing

Art. 0261 Inox felt swab for crystallization Ø 430 for Twister

INOX FELT DRIVER

- Allows for inox felt usage

Art. 0260 Inox felt driver Ø 420 for Twister

SILICON-CARBIDE DUAL SIDE ABRASIVE DISKS

- For floor scraping
- Abrasive disk driver required

Art. 3958 Silicon carbide dual-side abrasive disk Ø 425 coarse grain 16
Art. 3957 Silicon carbide dual-side abrasive disk Ø 425 coarse grain 24
Art. 0273 Silicon carbide dual-side abrasive disk Ø 425 coarse grain 36
Art. 0271 Silicon carbide dual-side abrasive disk Ø 425 medium grain 60
Art. 3956 Silicon carbide dual-side abrasive disk Ø 425 medium grain 80
Art. 0274 Silicon carbide dual-side abrasive disk Ø 425 smooth grain 100

ABRASIVE DISK DRIVER

- Allows for silicon-carbide and net abrasive disks usage

Art. 0272 Abrasive disk driver Ø 430 for Twister

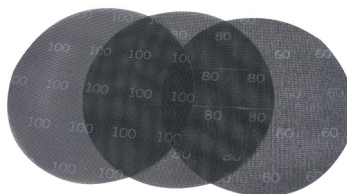

ITALIAN MANUFACTURER
Machinery and tools for professional tilers and bricklayers

ABRASIVE GRID DISKS

- For floor scraping
- Driver disk required

Art. 0221 Abrasive grid disk $\varnothing$ 405 coarse grain 60
 Art. 0222 Abrasive grid disk $\varnothing$ 405 coarse grain 80
 Art. 0226 Abrasive grid disk $\varnothing$ 405 medium grain 100
 Art. 0331 Abrasive grid disk $\varnothing$ 405 medium grain 120

Art. 0332 Abrasive grid disk $\varnothing$ 405 medium grain 150
 Art. 0333 Abrasive grid disk $\varnothing$ 405 smooth grain 180
 Art. 0334 Abrasive grid disk $\varnothing$ 405 smooth grain 220

4-ABRASIVE-PADS DISK

- For smoothing onto concrete, cotto or resin floors
- Comes with 4 free medium grain abrasive pads

Art. 0270 4-abrasive-pads disk $\varnothing$ 430 for Twister

SPARE ABRASIVE PADS

- Spare abrasive pads in 3 different grains

Art. 715 Spare abrasive pad coarse grain 36 for art. 0270
 Art. 716 Spare abrasive pad medium grain 60 for art. 0270
 Art. 717 Spare abrasive pad smooth grain 120 for art. 0270

5 SILICON-CARBIDE GRINDERS DISK

- For smoothing onto concrete, cotto or resin floors
- Comes with 5 free medium grain grinders

Art. 0290 5 silicon-carbide grinders disk $\varnothing$ 430 for Twister

SPARE SILICON-CARBIDE GRINDERS

- Spare silicon-carbide grinders

Art. 0288 Spare silicon-carbide grinder medium grain 16 $\varnothing$ 110

SILICON-CARBIDE GRINDER DISK

- For smoothing onto concrete, cotto or resin floors

Art. 0291 Silicon-carbide grinder disk $\varnothing$ 430 for Twister
